Baseball Campaign Opens On March 24

A 21-game schedule, plus one tournament, makes up the 1960 baseball season for Coach Alvin Brown's Northwestern State College Demons.

The Demons open the season at home on March 24 against Oklahoma Baptist University of Shawnee. Only one other foe, Louisiana College on March 31 at Pineville, remains before the opening GSC tilt of the season against Louisiana Tech at Natchitoches on April 2.

In addition to a three-game series against each GSC foe, the Demons face Centenary as the only non-league opponent, except Louisiana College and Oklahoma Baptist. Participation in the Easter Tournament at Monroe, April 14-16, will be against a top-notch field of opposition.

In addition, two other graduates led girls' teams to State championships. Earl Speights coached Negreet's lassies to the Class-C crown, and Miss Addie Thompson mentored Springhill to the Class-AA flag.

NSC's Black Knights Win National Recognition

Proudly displaying the trophies won by the Northwestern ROTC drill team in Washington, D. C., April 8 and 9 are (left to right) Lt. Col. Lee E. James, professor and head of the Department of Military Science and Tactics; Cadet Lt. Col. Robert Risor of Many, drill team commander; M/Sgt. Robert D. Herring, team advisor; and Capt. Richard Wysang, assistant professor of military science.

ROTC Drill Team Captures First In Cherry Blossom Parade Contest

Eleventh Year

Gym Team Wins AAU Championship

Coach John Piscopo's Northwestern State College gymnastics team captured its eleventh consecutive Southern AAU Gym Championship at the annual meet in Lafayette.

The Demons continued their mastery among teams in the gymnastics field by capturing two other important championships during the season—the Southern States Festival in Lafayette and the Mid-South Intercollegiate Championships in Natchitoches.

It was the seventh straight Mid-South victory, and the first in the Southern Festival, which was inaugurated this year.

Coach Piscopo returned this year after taking leave last season to work toward his doctorate at Boston University. He hopes to complete his dissertation in time for graduation in August.

Northwestern State College's "razzle-dazzle" ROTC drill team, the Black Knights, returned to the campus Monday, April 11, with two trophies captured in competition in Washington, D. C., April 8 and 9.

The unit took the first-place marching-unit trophy in the annual Cherry Blossom Festival Parade held Saturday, April 9, after having placed fifth in the national precision drill contest on Friday.

NSC's thirty-four man drill squad was the only team in the nation to win two trophies, which are miniatures of the Washington Monument. Cadet Lt. Col. Robert Risor of Many, drill-team commander, accepted the trophies in front of the Jefferson Memorial in the nation's capital.

This is a significant victory for the Black Knights; they won over units from 73 colleges from 23 states, represented by 2100 ROTC cadets. Many competing teams were from major universities.

Full Spring Schedule Keeps Squads On Move

Spring sports at Northwestern State College have reached an accelerated pace in baseball, golf, tennis, and track.

Coach Alvin Brown's baseball squad has no seniors in the lineup, but despite the inexperience has become a leading contender for GSC honors. The season ends on May 13 with a game in Hammond against Southeastern.

Coach Walter Ledet's track squad has shown strength in weight events, but has not been up to par in running events because of injuries among top sprint and distance men. It is hoped that the Demons will be at full strength for the GSC meet in Lake Charles on May 21.

Coach Ernest Howell's golf squad and Coach Huey Cranford's tennis team are both going through eight-match schedules. The GSC tennis tourney is set for May 12 and 13; the golf meet is slated for May 20 and 21—both in Lake Charles.

They are the sons of Mr. and Mrs. Joe S. Jolley, Sr., Natchitoches.

ALUMNI FAMILY OF THE MONTH

Six members of the Mims family are pictured above. These are (left to right) Mrs. Clara Mims Walker, retired teacher; Mrs. Mary Mims Cooper, housewife; Henry A. Mims, teacher at Pleasant Hill High School; W. C. Mims, principal of Marion High School, Lake Charles; Ruby Mims Cushing, teacher at San Antonio, Texas; and Cecil C. Mims, Methodist minister at Trout.

The Mims family of Natchitoches Parish is an example of what can be accomplished with a small amount of money and a determination to acquire a college education.

Mrs. Clara Mims Walker, the eldest of twelve children, can recall that her father, the late Mr. Lee M. Mims, sold five acres of the family's hill farm for \$52 to start her education at Normal back in 1918.

She entered college with a determination to succeed. However, after having attended for only a brief period, she qualified for a teacher's certificate and accepted an assignment at the Lambertown School in Shamrock.

Saves Her Money

At Lambertown, she worked through the year for \$60 per month and managed to save enough money to make it possible not only for her to return to college, but for her sister Gertie to come along as well. Gertie passed the state examination during the summer, and the next fall found two of the Mims sisters teaching.

By the following summer the sisters had saved enough money to return to college and take along the eldest of their brothers. He, too, took the state examination and started teaching. Thus, the process continued until ten of the Mims family attended college—nine of whom received degrees.

Mrs. Walker continued to teach in Natchitoches Parish until 1922. In that year she was married to Mr. Joe Walker and began teaching in Sabine Parish, where they lived. There, she accepted a position as Supervisor of Adult Education for the Federal Government. The Government paid her to attend Normal during the summers.

Mrs. Walker remained in Sabine Parish until 1943, when she returned to Natchitoches Parish and taught until January of this year, at which time she retired.

Outstanding Principals

Two of the Mims brothers are outstanding high school principals in Lake Charles. W. C. Mims received the bachelor's degree from Northwestern in 1938 and is presently principal of Marion High School. He is married to the former Annice Jones, who received her degree from Northwestern in 1940.

John J. Mims is principal at LaGrange High School and is married to the former Alma Williams of Hornbeck, who finished at NSC in 1939. John completed his bachelor's degree in business administration in 1940.

Miss Gertie Mims, deceased, who was the second in line, passed away in 1947, while she was a member of the faculty at Southeastern Louisiana College. Miss Mims finished her degree at NSC in 1923 and held several important teaching positions during her 24 years of service.

Mrs. Ruby Mims Cushing received her B.A. degree at NSC in 1935 and her M.A. from Southwestern Texas Teachers College in 1945. She taught three years in Sabine Parish and has spent the past 25 years teaching in Texas—the last nineteen years at San Antonio.

Teaching In San Antonio

Miss Irene Mims obtained her B.A. degree at NSC in 1933, with a major in Math-Science. Since her graduation most of her teaching has been done in the city schools of San Antonio, Texas.

Mrs. Mary Mims Cooper received her degree from NSC in 1936. She taught in Louisiana Schools after graduation and attended Peabody College for Teachers, Nashville, Tenn., during the summer, where she received her M.A. degree. She is presently a devoted housewife, looking after her three children.

Henry A. Mims received a 2-year diploma from Normal in

1929 and the bachelor's degree in 1931. His wife, formerly Veanice Cutrer, received her 2-year diploma in '24. Henry is presently teaching in the Pleasant Hill High School.

Mrs. Jimmie Rae Mims Rains did all of her college work at NSC except 6 semester hours taken at San Marcos College, where she received the bachelor's degree. She is presently employed as librarian for the City Library at San Antonio, Texas.

Cecil Mims attended Northwestern prior to entering the ministry. He is presently pastor of the Methodist Church in Trout.

Although two other brothers, H. E. and Roy Mims, did not attend Northwestern, they have good reason to feel very close to the institution. Mollie Nell Mims, the daughter of H. E., is a junior nursing student at NSC; Roy is married to the former Estal May Bell, who received the bachelor's degree from Northwestern in 1940.

Congratulations Are In Order

Congratulations are in order for the Mims family on their courage to seek and to achieve the better things in life and for their most valuable contributions to education in Louisiana and elsewhere.

The example set and accomplishments attained by the Mims family could well serve as an inspiration to present-day youth proving that the goal of higher education is certainly within their reach.

The 1915 Normal basketball team lost the opening game to LSU 24-22, then went undefeated for the remainder of the season.

Demon Stadium, the football playing arena of Northwestern State College, has a seating capacity of 7,000.

Gwendolyn Wylene Aldredge is the 18-year-old daughter of Mr. and Mrs. Wyman Aldredge of Nederland, Texas. Mrs. Aldredge (nee Arlene Holloway, '32) is teaching at Nederland, and Mr. Aldredge is a supervisor at the Goodrich-Gulf Plant. Gwendolyn is an outstanding senior high school student and an accomplished musician. She ranks among the top 10 scholastically in a class of 173. In addition to her many other activities, Gwen is president of her Future Homemakers of America group and editor of the school yearbook.

1960 Grid Slate Lists Nine Foes

A nine-game 1960 football schedule for the Northwestern State College Demons has been announced by Jack Clayton, head grid coach and athletic director.

The Demons will play the same foes they met in the 1959 campaign, with the exception of Colorado School of Mines.

Opener on Sept. 17 is against Stephen F. Austin in Shreveport's State Fair Stadium.

Two home games follow and the Demons will be seeking revenge in each. On Sept. 24, NSC hosts Lamar Tech, and on Oct. 1, Louisiana College is the visitor.

On Oct. 8, NSC travels to Monroe to play Northeast State.

Louisiana Tech is the State Fair opponent on Oct. 22. Next on the slate is Pensacola Navy on Oct. 29 in Florida.

Three straight conference games round out the slate. On Nov. 5, it's McNeese State in Lake Charles; on Nov. 12, it's Southwestern Louisiana Institute for the Demons' Homecoming foe; and on Nov. 19, it's Southeastern Louisiana College for the second straight year in Natchitoches.

Mr. and Mrs. Curtis McMillan, '57, of Silsbee, Texas, announce the birth of a son, Mark Patrick, born Dec. 17.

Miss Jean Royston, librarian at W. W. Lewis Junior High School, Sulphur, and a 1947 NSC graduate, is the recipient of the Modisette Award for school librarians for 1960. The Modisette Award is made annually to an outstanding Louisiana librarian by the Louisiana Librarian Association. Miss Royston has served in her present position for the past five years, having previously taught and served as librarian at Gilbert, St. Martinville, Olla, and Buras. She received the master's degree from LSU.

Outstanding Cage Stars Sign Pacts For Demon Futures

Seems as if Northwestern State College likes the looks of that gleaming new Gulf States Conference basketball trophy resting comfortably in its case—and seems as if Coach Huey W. Cranford is taking steps to try to add a few more.

NSC has signed three of the five top high school players in the state. Each of the three was voted the Outstanding Player in his school classification. In addition, the Demons have latched on to a fourth player—an All-Stater who narrowly missed the OP Award. All were picked by the Louisiana Sportswriters Association.

Here's the quartet of Demon signees:

Gerald Woodard of Dry Prong was the Outstanding Player in Class B. He was the top scorer in the state with 1,392 points and led his team to a 44-2 record for the season. Over a three-year period, he's scored over 3,000 points.

Walter Ledet of St. Mary's of Natchitoches was the Outstanding Player in Class C. He was the state's second-high scorer with 1,281 points and led his team to a 52-4 record for the season. Both Ledet and Woodard scored more points than Lake Charles' All-American Charles Nash, who dunked 1,227.

James Hardin of Tioga was the Outstanding Player in Class A. He scored 719 points and is reputed to be the best rebounder in the state.

Tommy Mathis was a first team All-State selection as a member of the Coushatta quintet. His 23.0 points per game was the top scoring average in Class A and he sparkled on defense. Mathis was narrowly edged out by Hardin for the Outstanding Player award.

Each of the signees is a two-year All-State performer, and all will be watched closely in their careers as NSC Demons for the next four years.

All-College Assembly Honors Three Groups

A special all-college assembly was held at Northwestern, Tuesday, April 12, to honor three of the College's outstanding organizations.

Groups honored included the Purple Jackets, women's service organization; the Blue Key, a similar group for men; and the ROTC drill team, which won first place award for marching units at the Cherry Blossom Festival Parade in Washington, D. C.

At the assembly, new members were called for the two service groups.

President John S. Kyser called twelve students for Purple Jacket membership and twelve for membership in the Blue Key.

The V. L. Roy Award was presented to Miss Frances Leach of Leesville, Purple Jacket president.

The Blue Key is a national, honorary service organization which is completing its first year of operation on the campus.

Highlight of the assembly came when Cadet Lt. Col. Robert Risor of Many presented the trophies the Black Knights won in national competition at the nation's capital.

Student Body President James Slack read a citation, passed by the Student Council, recognizing the distinction brought to Northwestern by the Black Knights.

Winners in the College Writer's Contest held in Baton Rouge, April 9, were also announced. Frank Parker of Simpson, a senior student at Northwestern, was the only entrant to win two first-place awards. Parker won first in the essay contest and first in Louisiana poetry.

Ann Hart Stewart, Queen of the NSC Relays, strikes a pose with the javelin on the Deman practice field. Ann was the official hostess for the 22nd annual event, which attracted a tapnatch field
